Norges Motorsportforbund

Oslo Modellbilklubb invites to Nordic Championship 2015

Date: 27-28 june 2015

Classes and status:

Nordic 2WD and 4WD OR 1:10

Info about site:

You can buy food, hot and cold drinks, vaffles and much more in our kiosk by the pit area. There is a parkinlot with plenty of space. We have room for approx. 120 drivers in the pit area aswell. Walloutlets on all pit tables. You can clean your cars and gear with an aircompressor aviliable next to the kiosk. WC for the ladies an gents are located at the parkinglot. You can find directions to our facilities, well explained on our web: www.oslomodellbilklubb.no (see "tracks")

Funksjonærer:

Vil bli annonsert

Deltagelse:

All participants must have a valid licence and club membership. That are tied to NMF (equally for the swedish, finnish or danish drivers), which in turn fremvises ved registrering/teknisk kontroll

Drivers fee:

Drivers from age 19 and up: kr. 300,-

Drivers from 13 to19 yrs : kr 250,-

Timekeeping:

AMBit timekeeping with RCM software. All drivers are advised to bring their own personal transponder. We do have transponders for some to borrow, but if you do borrow you are responsible for them counting your laps, and keep them charged. RC4 transponders is not compatible. We have a RC3 system, that allows for use of RC4 Hybrid in addition to the older versions.

Q and F:

The final number of Qualifications will depend on the number of paticipants and will be announced on raceday..

Rules:

The competition is arranged to comply with EFRA rules, The race will be done by round by roud principle.. Regrettable due to the norwgian sporting federation law, we cant allow drivers below the age of 13 to enter the competition. Our federation NMF and we are strongly against it, but regretably we have not been able to change that yet. So our sicere apologies for this! We are still hoping to see as many of your national drivers as possible at our event!

Training:

The track is open all days when there is no competing. For an overview of other events see our webpage: www.oslomodellbilklubb.no. Free practice Friday 26. June from kl 0800 and Saturday from 08:00 til 0930, and after price ceremony for 2WD.

Attendance:

To attend in the competition, Fees and registration must be in order at raceday, and must be present at the driversbrief all participants must, må alle deltagere være fremmøtt, betalt påmeldingsavgift i forbindelse med registreringen løpsdagen og delta på førermøtet.

Time schedule and racedays:

Nordic Championship 2015 runs over two days. 2WD on Saturday and 4WD Sunday. Racelayout and time schedule will be published on www.myrcm.ch and the tracks results-board. Detailed schedule will be announced Saturday morning after driversmeeting. The attendants themselves are responsible to check all info on the schedule before start. (name, club, licence, start number)

Results:

Is available at the result-board after each heat. Results will also be available at www.myrcm.ch

Protest deadline/fee:
